A warm welcome from all our children and staff

Welcome To Our School

Bishop Wilson School has a long history of high quality education. We continue this tradition by providing today's children with an enjoyable and enriching experience which equips them for lifelong learning.

Our village school promotes Christian family values alongside academic excellence. We encourage the involvement of parents, and believe that the development of a partnership between home and school is vital to the success of a child's education.

As a part of the village community, we aim to provide a stimulating and safe environment where all children can reach their potential, not only academically, but socially, physically, emotionally and morally. We hope that children who begin their education with us will develop independence of thought, a love of learning and a quiet confidence in their own ability, which in turn will enable them to succeed in the future.

Vision and Mission Statement

The joy of the Lord and our Christian Values help us to flourish in school and in our community as communicators, explorers, readers and believers.

Within God's family we nurture, teach and support each other, opening doors for all.

"Welcome to Bishop Wilson, we'd be delighted to show you around our lovely school so that you can see first hand what makes it such a special place.

Bishop Wilson Primary School is a warm, caring church school where the children are at the heart of all we do.

Working in collaboration with Christ Church CE Primary School we aim to ensure the children get the best possible opportunities."

Mrs Roberts, Head of School

SIAMS 2016

‘The belief that each pupil is unique and loved by God inspires excellent pastoral care and a Christian family atmosphere within which pupils feel valued and nurtured.’

(Church school inspection)

About Our School Community

We have strong links with the parish church in Burton and Rev Cathy works closely with the school. She comes in weekly to deliver acts of worship and provides pastoral support for our children, staff and families.

Each year we like to take the choir to sing in local venues—the church, Sainsburys, Old people’s homes.

With Neston High School we offer enrichment days for the children. We also work with local church schools to develop our ethos work as a Christian school.

It's all going on..

From Sports day to RSPB trips, being a scary Roman soldier, Residential Visits, World book Day, Mad Science and much more

Visits, Trips, Activities and other Adventures

At Bishop Wilson we work hard to bring learning alive—either in the classroom or through trips and visits. We have a close working relationship with the local RSPB site, Chester zoo and Barnstondale residential centre.

From year 3 upwards children have the opportunity to go on residential with their teachers—this is a wonderful experience for all our pupils.

Learning in and out of the classroom is important.

Learning and Achievement

Each year we aim to give the children lots of opportunities in and out of the classroom. We take part in cross country, swimming competitions, quick sticks and football tournaments— to name a few! Whilst taking part is the most important aspect we are also proud of our achievements and successes!

Our Eagles class have instrument lessons during the year, an opportunity the children love and take to very quickly.

Through our reward system, the school bank, the children learn about the importance of saving and how to manage their 'money'. The children make up our great team of bank and shop staff and thrive in this opportunity.

“It is exciting when we get to spend our mitres in the school shop”.

“Learning is fun at Bishop Wilson”

“We enjoy being in classes of different ages”

Pre School and S4YC

Partnership working is important. Working with S4YC means that we can offer wrap a round care, pre-school and holiday clubs

Working with Lisa, pre-school manager, we ensure that transition into their first year of school is as smooth as possible. We enjoy working together throughout the year and sharing exciting learning opportunities together.

Parents book into pre-school and wrap around care through an online tool called IPAL..

PTA

The PTA - we have a very committed group of parents who organise some superb activities for the children throughout the year. They organise the summer and Christmas Fairs as well as many other opportunities.

Over the last few years they have raised money for ipads, interactive smart boards and outdoor play equipment. Most importantly it is for these wonderful young people.

“The staff are really helpful and approachable, it helped us all settle in quickly.”

Admissions and Next Steps for our children...

We aim for our year 6s to leave us having had a wide range of experiences and being ready for High School. Most of our children move on to Neston High, some also go to Grammar Schools on the Wirral.

Our admissions policy is in line with the application process which is documented in the ‘Starting School in Cheshire’ booklet available from Cheshire West and Chester Council. To apply online please visit:

www.cheshirewestandchester.gov.uk/admissions

Please ensure that your child is registered with the Local Authority as being of age to start school and that the relevant documentation is completed within the given time frame. The school office are happy to help with any queries you may have, please do not hesitate to call.

“The end of year production is a great way to finish our time at Bishop Wilson”

Leavers quote

“We want the children to be inspired and inspire others”
